2021 Graduates

We know you are looking forward to graduation and we will do our best to keep you updated on the progress of our site, the protocol that must be followed, the ticket limits, etc. We are waiting for final word from Red Rocks as to the certainty of using their facility for the ceremony on May 20, 2021 at 2 p.m. If not Red Rocks, we will definitely be able to use Jeffco Stadium on May 20, 2021 at 7 pm as a backup. Please be patient with the process and know that we will send updates to families.

Jostens

Seniors, Jostens will be in the building on March 4, 2021 to deliver your graduation announcement orders. Cohort B will pick up their orders from 1:00-2:00 p.m., in the main hallway. Cohort A will pick up their orders from 2:00-3:00 p.m. in the main hallway. If you have questions regarding your order or you still need to place an order, please contact Jostens at nils.erickson.office@jostens.com or call 303-985-0095.

ChaKotaBine

ChaKotaBine is coming soon! This year we are unable to have a three school dance like the past so this year's philanthropic event will be a Socks and Toiletries Drive, donating items to the Jeffco Action Center. We are asking Chatfield's, Dakota's, and Columbine's feeder elementary schools to donate socks, middle schools to donate toiletries, and high schools to donate both items. Our drive will be held from March 1st through March 6th. There will be donation bins around the school as well as in the front office.

Because of the events of the past year, Jeffco's Board of Education has the challenge of making difficult budget decisions for the 2021-22 school year. Keeping student achievement and well-being at the center of our decisions, District leadership continues to monitor the impacts to state funding; however, reductions are going to be essential in the coming year. We invite the community to provide feedback for the Board in considering the tradeoffs necessary to reach a balanced budget to support our students in the coming year. Join Jeffco Board members, the interim superintendent, and the interim chief financial officer for these sessions to learn more and participate.
