

## **HANDICAPPED SEATING AT RED ROCKS**

Row 1 and 70 are the only wheelchair accessible seats in the house. Rows 2-3 will be available for persons with disability/mobility who can maneuver a few steps.

Rows 1-3 are limited to person with disability/mobility and one companion due to limited space. If you would like to sit with multiple family members, then you will need to access the top of the venue.

## **PARKING**

Designated accessible parking for persons with disabilities is in two locations. For access to the top of the amphitheater, row 70, parking is available in the Top Circle Lot. For access to rows 1-3, the parking is at the Upper South Lot. A valid, appropriate disability placard or license plate is required to park in a space identified as reserved for persons with disabilities. The person that the registration of the accessible parking hang-tag or license belongs to must be in the vehicle, and identification is required. All park entrances can access all parking lots.

Guests should arrive as early as possible to ensure space availability and to reach their seats prior to ceremony time. All parking is 'first come, first served'. Guests that require to be dropped off and/or picked up may do so at the Top Circle Lot or Upper South Lot, depending on their seat location.

**Top Circle Lot** — This paved circular lot can accommodate up to 23 vehicles with access aisles adjacent to each space. These spaces are for guests wanting to sit in row 70 or who are mobile enough to access this designated seating area. Although the Top Circle Lot is reachable from any of the four entrances to the park, guests who need to park there should use park entrance 1, West Alameda Parkway.

**Upper South Parking Lot** — There is a paved area in this lot that can accommodate up to 30 vehicles with access aisles adjacent to each space. Access to the Amphitheatre from this lot is via the accessible shuttle which will take you up the backstage road to a graded ramp to rows 1-3. Although the Upper South Parking Lot is reachable from any of the four entrances of the park, guests who need to park there should use park entrance 3 - Red Rocks Park Road to Ship Rock Road.

**Trading Post Parking Lot** — There are 3 permanent accessible spaces for people with disabilities at the Trading Post for Trading Post business only.

## **ACCESSIBLE SHUTTLE**

Red Rocks Amphitheatre operates shuttle vehicles to transport guests with disabilities or mobility impairments from the Upper South Parking Lot to the ramp accessing the first row of the amphitheater. Patrons with wheelchairs who would like to sit in Row 70 should park in the Top Circle Lot to access row 70. Rows 1 and 70 are the only wheelchair accessible seats in the house.

## **RESTROOMS**

Accessible restrooms are available at the bottom and top of the amphitheater. For patrons using Row 1, accessible bathrooms are available at the North Concession Stand and on the South Ramp located to the left and right of the stage on the South ramp and at the north concession stand. At the top of the amphitheater, accessible family restrooms are adjacent to Row 70. There are also accessible restrooms inside the Visitor Center. Access to the Visitor Center is via an elevator located inside the plaza level entrance.
