Attendance Reminder
If a student is ill or will not be attending classes, whether remote or in-person, on that day, a parent or guardian must leave a message (or within 24 hours) on the attendance line, 303-982-1884, in order for the absence to be excused. Students should access their online learning platform to follow the required classroom lesson and assignments.

Deadline for Request to Move from Hybrid to Remote
The deadline for families to request a move from hybrid learning to remote learning has passed. The only exceptions we may make at this point will be only on a space available, class by class basis of existing remote classes. Most of our courses are already at capacity so no additional remote learning requests will be processed for those courses.
