A S S E M B L Y B L O C K

Check in with Seminar teacher for attendance

FACULTY RESPONSIBILITY

ALL FACULTY MEMBERS are expected to assist with student supervision during the assembly (see Assemblies in the handbook for specific instructions). Generally speaking, supervision includes escorting students in your fifth block class to the gymnasium (if you have a class) or helping to move students from the hallways into the gymnasium (if you have a planning period). Once in the gymnasium ALL FACULTY are expected to sit with their class to help with the control of student behavior.
